5 COURSES

5.1 Note: the Morh Island course has been remove this year. The orientation of the Ottawa river does not offer very good opportunity to go back and forth in a single window, hence the participation rate was not worth it. The challenge is now concentrated on a single course: Port Of Call.

5.2 PORT OF CALL course

5.2.1 The start and finish line is between “S” mark (yellow buoy) and the Britannia Flagpole. The turning point is west of the imaginary line created between the flashing red light at the entrance of the Port of Call Marine (N 45 28.654 W 75 59.594) and the Quebec shore (N 45 28.861 W 75 59.305). The stern of the boat must go beyond the line before turning around.
